Faculty and Administration

The faculty and administration at Heath High School has the duty of preparing the students for the challenges of adulthood. It is their responsibility to train youths for their life after high school, whether it is on through college or into the working world. Combining their knowledge and experiences, the faculty and administration offer Heath High students a wide range of learning.

A New Era

After a decade of dedication to the Heath School System, Superintendent of Schools Rod Swank begins a new era of constant endeavor to keep the Heath System at a level in which we can all take pride.

The Board of Education is the foundation of our school system. Among their most important jobs is deciding school policies. This year, through their approval, Senior final exam exemption for A and B students was established.

Administrators Inspire Scholarship

To be a good leader, one must have scholarship. School basically concerns itself with the pursuit of knowledge, a pre-requisite of scholarship. Our administrators are constantly encouraging the student body to obtain the high goals of scholarship.

Social Studies And Languages Cause Critical Awarement

The social studies department, by use of current events and social studies' disciplines, helps the students realize the problems of the day. This is correlated with the idea that problems may have begun in the past, yet they cannot be cured immediately.

The language department attempts to interpret the culture of foreign lands by a study of the language of foreign countries.

Mathematics And Science Expand The Minds Of Future Leaders

The mathematics department stresses the orderly manner of the world and strives to use math to add to the student's potential.

The science department gives the students knowledge derived from observation, study, and experimentation in order to determine and to understand the nature or the principle of what's being studied. With the above goal in mind, the science department of our school tries to emphasize the finding of unknown and to stress the practicality of studying for the future.

A sketch of a sunset or any other common scene are expressions for a student's thoughts or emotions. The students are taught expression by our new art teacher. Through home economics, a female student derives modern methods of how to prepare herself for the life ahead of her. Industrial arts makes it possible for young men to take advantage of their own personal skills with wood. Special education is a very profitable addition to our school's educational program.

When the weather permits, the physical educational classes enjoy outdoor sports such as softball or other field events. During the not-so-enjoyable seasons, the gymnasium is filled with shouts of joy and unhappiness of winning or losing a volleyball or basketball game. The library is the key to knowledge and the gateway to ways to face this rapidly developing generation.

Basic Skills Help To Serve Mankind

Not only does the world need doctors, lawyers, and college professors, it also desperately needs skilled labor. Many times there have been jobs available, but not enough trained workers to fill those jobs. So it is vital that some students learn the basics to be able to continue serving mankind.

School Life

Through clubs, organizations, and social events, there was something for everyone. A variety of organizations ranging from science club to the pep club from the Varsity "H" club to the outdoor education counselors, let all those interested participate.

Social events including the prom, homecoming, and other dances held the interest and enthusiasm of all students. Dramatic endeavors included the spring and fall plays. Closing the year in the field of dramatics was the musical "Camelot".

The 1969-70 Student Council proved to be very successful this year. They did service projects and money projects all for the benefit of the school. The Student Council held three paid assemblies for the student body along with selling basketball ribbons during the season. The main objective of the Council this year was to pass the exam exemption for the seniors. This was accomplished in May which strengthened student recognition.

It was a busy and fun year for this year's Footlighters. Along with the successful fall and spring plays and the musical, the Footlighter Club sponsored a variety show of their own. "From Vaudeville to "Hair" was in mid January and was open to the public with free admission, featuring everything from the Andrew Sisters to Heath's version of "Hair". The show was a delightful success.

The Key Club is a service organization sponsored by the Kiwanis. This year their regular programs centered around drug abuse. They had many interesting speakers. At the Awards Assembly, they gave a savings bond to the highest ranking senior girl, Nancy Beattie, and two Educator Service Awards to Miss Boggs and Mr. Bowers. They had many other service projects directed to the community throughout the year. The highlight of the year (for the Club) was the annual student-faculty basketball game. This year the Key Club was defeated, but one might say that this was just another service to faculty morale.

Heath High Choir

The 1969-70 Choir was the largest choir in the history of the High School. The choir also proved to be the most successful in their activities, such as concerts in Mount Vernon and Newark churches. Along with the Christmas and Spring Concerts combined with the Band.

This year the choir added something new which was the Choir Cabinet. Also the choir recorded a record. The highlight of the whole year was the production of the musical, "Camelot".

"Evening In Autumn", theme for the 1969 Homecoming, began Thursday night with a pep-rally bonfire attended by the student body.

Friday night the activities continued when the Heath Bulldogs battled the Lakewood Lancers. During the half-time festivities Bev Burfield, escorted by Ben Pemberton, was crowned queen and presented the traditional roses and kiss by the co-captains of our team Bob Marshall and Jeff Tyson. Members of her court and their escorts were: Brenda Baker and Mike Myers, Paula Henry and George Stoner, Pam Jinks and Roger Thoma, and Lindy Ricketts and Tom Sines.

Anastasia

On November 7th and 8th, the Heath High Auditorium was the stage of another dramatic presentation, ANASTASIA. This was the story of a young peasant girl who was transformed into a princess by Bounine and his accomplices. Anastasia, trying to convince the Empress of her royal heritage, recalls the memories of the Bolshevik Revolution.

"I'll go to you as I used to--speaking to you as I left the side of your little bed."

"What is this scar? Is it from a bullet? Tell us."

THE IMPORTANCE OF BEING EARNEST, was a satire on early English aristocracy. The audience was captured by the tender humor of two young girls engaged to the same suitor. However, the mixed-up love affair was resolved, ending happily for those involved.

As the curtain opened on April 31, the legend of King Arthur and the Royal Round Table came to life, and the Heath High Auditorium turned into the Kingdom of Camelot.

"Camelot" was the second musical ever presented by the Heath High Choir. With the Choir under direction of Mr. Risner, and the Orchestra under direction of Mr. Hill, "Camelot" was the number one production of Heath High and the main attraction of the school year.

Athletics

Throughout the entire year, athletics play an important part in the life of a student. Weekly games, meets, and scrimmages are all an exciting part of Heath High School.

Through interscholastic and intramural sports, students learn more than the game rules. A vital part of athletics is to learn to lose gracefully. The attitude of good sportsmanship is necessary, not only for the team members, but for the capacity crowd that cheers them to victory.

Varsity Football

The 1969 Heath Football team was the best ever in the history of the school. Coached by Mr. Klockner, the team had four wins and four losses in LCL action, and added another loss in a non-league game with Newark Catholic.

The Bulldogs set a new scoring record in the Watkins game, coming from 21-0 at halftime to win the game 21-35. However, this record was again broken in a 38-6 win over Licking Valley in the next to last game.

The team hoped for a winning season in the last game against Utica, but they lost by a score of 0-6. All in all, the Bulldogs had a very good season, but hope for still better in the future.

*L. C. L. scoring record

This year the defending L. C. L. champs fell to a record of 10-9. The season started out well with a double over-time victory against Granville. After a heart-breaking setback at the hands of Licking Heights the Bulldogs couldn't get back on the win track until late in the season.

Heath's most shining hour came against Watkins with an effort of 129 points. This established a new L. C. L. scoring record. The "Dogs" bowed out of their first tournament game to rugged Danville of the Mid-Buckeye League.

Ben Pemberton earned All-County, first team; and All District, honorable mention.

Lost to graduation will be: George Coleman, Mark Gayheart, Bill Dennis, Dave Riffel, and Ben Pemberton.

This year Coach Swineheart's reserve squad made the .500 mark with a credible 9-9 record. The "little dogs" also broke even in the county race with an 8-8 ledger. The team represented Heath in a commendable fashion, and gained valuable experience. Next year they will get a chance to use this experience in helping to regain the L. C. L. crown.

Baseball

This year's baseball season was the worst in the school's history. There were a few bright spots though, such as a 19 to 7 win over Granville. Another bright spot was the first game of the season in which we beat Watkins Memorial by a score of 9 to 1. In tournament play the only game won was by forfeit from East Knox.

One of the big problems was the lack of experience. There were only about six lettermen and only three seniors on the team. Things should improve for next year with most of the team back. To sum it up this year's baseball season was a real heart-breaker for the people that worked!

Underclassmen

With new worlds to examine, the freshmen adjusted well to the high school and new friends. They learned from the sophomores and admired the upperclassmen. The sophomores developed confidence and determination during the summer months and returned to Heath High with goals of the future.

FRESHMAN CLASS OFFICERS: Jerry Taylor, President; Mark Matthews, Vice-President; Kim Shaw, Treasurer; Vicky Link, Secretary.

The Class of 1973

The school year 1969-70 brought new experiences and excitement to the Freshman class. A new school, new friends, and a new way of life were given to each student in their final step toward the end of their school life.

A bake sale was held as a money making project. The Freshman held their annual dance with the theme Winter Wonderland. It was a very good year for the Freshman and may we hope that the rest of their years in high school be as happy.

Class Advisors: Mrs. Hite, Mr. Shaffer, Mr. Cunard, Mr. Fullen, Mrs. Wilkin.

The year of 1969-1970 turned out to be a very profit making year for the Class of 1972. The Sophomore's had many workers this year. This was then followed with three car washes and two slave days. These both turned out to be very good profit-making jobs. Those who participated in the projects have enjoyed themselves throughout the year.

Juniors

The time is here when the Juniors become impatient at the thought of becoming Seniors. They begin to dream of the freedom associated with being a Senior. The thought of Regression Day, the Senior Picnic, and the Senior Sock Hop. The most important thought that enters the minds of all wishing Juniors, though, is that final day when all their efforts for the last twelve years are finally rewarded.

The Junior Class:

The Junior Class Officers

PRESIDENT:
Dave Hardy

SECRETARY:
Patty Baker

VICE-PRESIDENT:
Rick Gemmell

TREASURER:
Pat Bevard

The Junior Class this year, in order to raise money, held two car washes, two slave days, and operated the snack bar at the basketball games. Their task was to raise enough money to hold a memorable prom with a view of saving some money for the class's Senior year. They were successful.

Preparations for the Prom occupied most of the class's time this year. The May event was built around the theme of "Gone with the Wind." Main focal point of the Prom's decorations was a two story Southern mansion that rose majestically to the ceiling of the gym. The mansion, done in purple with black trimming, was supported by four gigantic white pillars. Head of the Prom Committee was Doug Clark.

THIS SECTION WAS APPROVED BY A DISTINGUISHED PANEL OF EXPERTS JUST BEFORE THEY WERE COMMITTED.

The Class of 1970

On May 31, 1970, 121 seniors said good-bye to the only kind of life they have ever known. Gone are the days of crowded lunchlines, noisy studyhalls, excited pep rallies, and assorted assemblies. All that is left are memories. Whether good or bad, these memories will accompany this year's senior class for the rest of their life. June 1, 1970 marked the beginning of a new life. A life that will hold the destiny of those 121 whether it be a professional career, business, or marriage.

Seniors

Class of 1970 Officers: Dave Calhoun, Vice-President; Brenda Baker, Secretary; Bev Burfield, Treasurer; George Stoner, President.

Class Song -

"Bridge Over Troubled Waters"

Class Flowers - Violets

Class Motto -

The Greatest Conquerer Of
All

Class Colors - Purple and Gold

The Class of 1970 proved to be a memorable one. The year's activities started with a bake sale. This year instead of the traditional one bonfire, there was one held for the Newark Catholic game as well as the Homecoming game. The Homecoming, "Evening in Autumn" was a complete success. Other highlights of the year was Regression Day and the Senior Sock Hop. Held at Rising Park in Lancaster, the Senior picnic was also marked as a final memory.

Graduation was held on Sunday, May 31. There were 121 graduating seniors, the largest class to graduate from Heath. This year there were two firsts. The 1970 class was the first class to have a class flag and a class song.

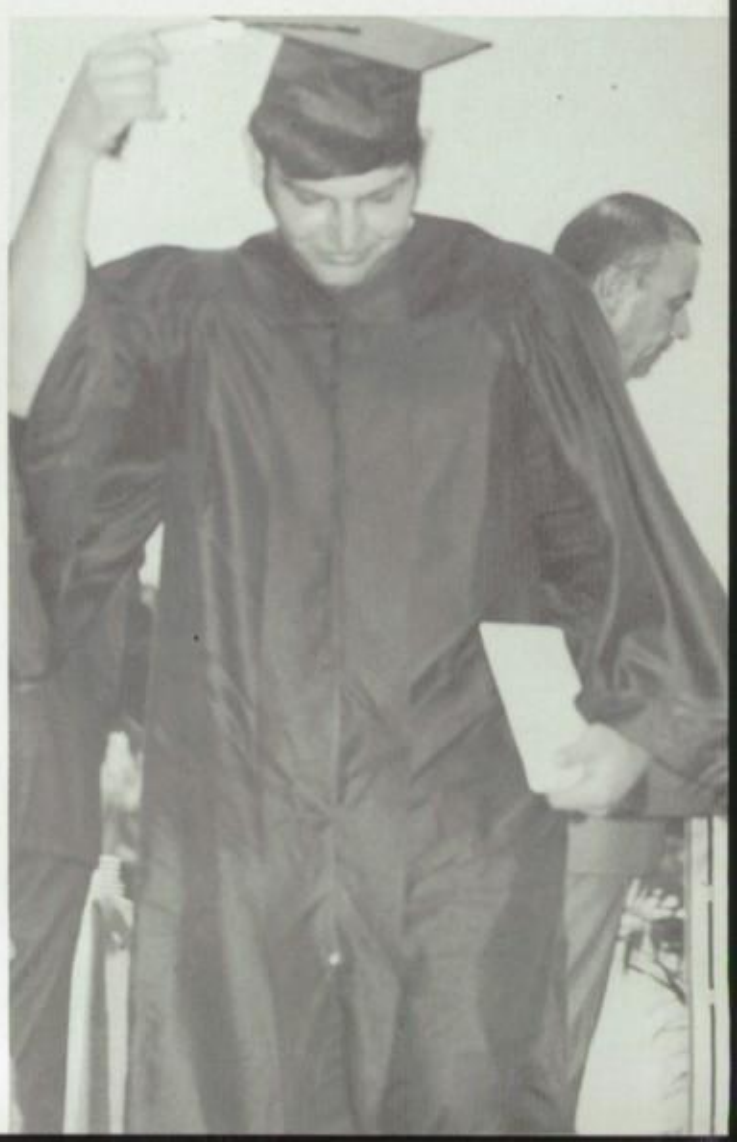
Why did I get a round mortarboard?

Talk about it dedication.

"What did you say?"

Heil, Bowers!

I dare you.



Pull my string and I'll kiss you.

By the hair of my chiney chin chin.

First you put your two feet close up tight!

The excitement of graduation?

I just figured out how to tell time and they change it.

Fantastic, wasn't I?

If you knew what I know...

It takes talent to sleep while you're dancing.

Just for that I'm going to take my "Kool-Aid" and go home!

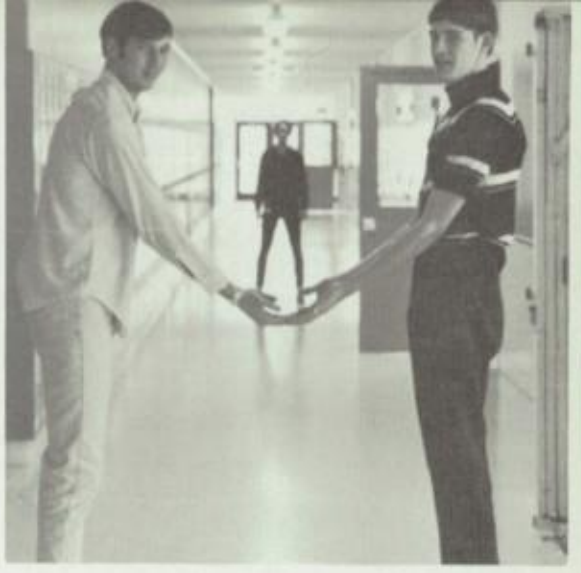
Senior Activities

What are you looking at, Karen?

A look to the future!

I think I'll get a crew cut.

And this is only Monday.



Senior class supports its officers.

Where did you say it was, Roger?

Hey, isn't that the Erica photographer?

I know what Mike knows!

Long night last night, huh Skip?

Hereditary Factor.

The Martians are coming?

Wheeeeee!

Phooey!

There goes my diet!

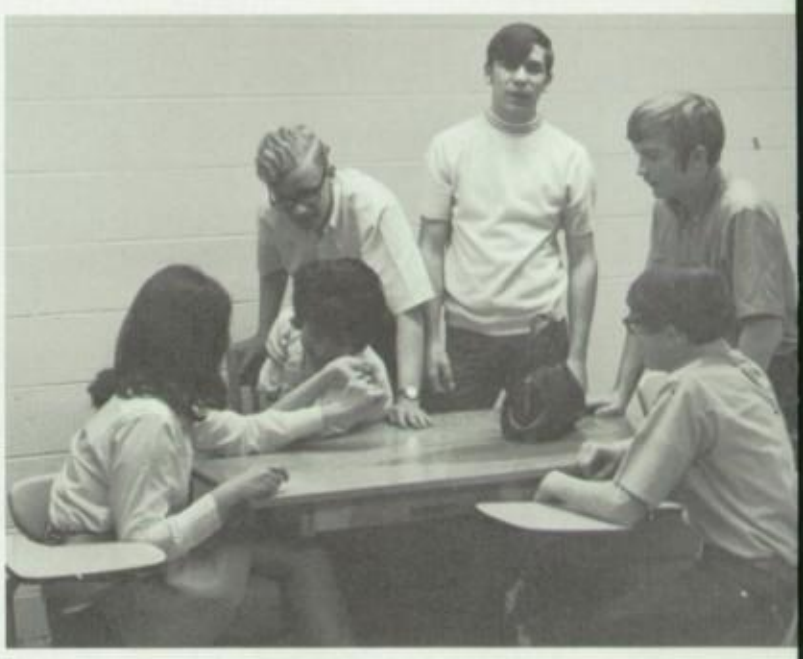
You mean to tell me that you're trying to think?

"Go to sleep--,
Go to sleep--,"

From the "Valley of the Jolly 'Grease' Giant."

"What do you mean Mrs. Swank wants us to move the furniture?"

I get to play the winner.



Future Editor sums up this year's staff.

Heath Area Vocational School

Not only Heath High School, but all schools in Licking County are entitled to send students to the Heath Area Vocational School.

In the five fields of vocational training and the related classes, the students practice skills and learn trades useful to them in specialized careers after graduation.

FIRST ROW: Dennis Clark, Northridge; John Lawson, Northridge; Greg Crist, Liberty Union; Richard Stokes, Heath. SECOND ROW: Kenneth Corners, Northridge; Roger Ridgely, Sheridan; Pat Noll, Sheridan; Grant Collins, Granville; Bob Schilling, Millersport; Jeff Padar, Heath; Casey Noblick, Newark. THIRD ROW: Mr. Solt, Teacher; John Herendeen, Granville; Jay Padgett, Sheridan; William Vincent, Granville; Larry Zigan, Granville, Dave Borland, Sheridan; Steve Walker, Heath; Marty Miller, Sheridan; Phil Solt, Carroll.

Automotives I

Automotives I get the basic knowledge and practice needed to become good auto mechanics. They learn the basic theory involved in operating automobiles.

"How can we lift the engine when it's not even in there?"

Mr. Solt does his thing!

It looks like Pat's mind is on other things than the fall convention.

Automotives II

Automotives II students further their knowledge and experience in the operations of the automobile and all its working parts. They gain further and more detailed experience in shop the second year. They prepare themselves to become good auto mechanics.

FIRST ROW: Danny Trout, Heath; Marion Cahill, Liberty Union; Mike Kiger, Newark; Jim Emmert, Sheridan. SECOND ROW: Joe Sabo, Millersport; Don Carte, Millersport; Terry Achcraft, Newark; George Walters, Granville; John Hard, Sheridan. THIRD ROW: Mr. Smith, Teacher; Pat Shauck, Heath; Ray Erlenbach, Heath; Tom Butler, Sheridan; Randy Ray, Granville; Jim Pearce, Northridge. ABSENT FROM PHOTO: Dave Garrett, Heath.

Cosmetology I

Besides learning the basic skills of hair styling, manicuring, tinting, and hair cutting, the girls of Cosmetology I also did many worthwhile projects outside of school. They collected gifts at Christmas for foster children, collected Betty Crocker coupons to help buy a kidney machine, and collected cottage cheese boxes to make Easter baskets for the mentally retarded.

Mrs. James and Denise Sickles working on a victim.

FIRST ROW: Grace Thompson, Heath; Diane Killgore, Heath; Deb Shepard, Sheridan; Connie Swingel, Northridge; Patti Snider, Sheridan; Roxanne York, Heath; Barb Farris, Millersport. SECOND ROW: Mrs. James, Teacher; Saundra Shepard, Granville; Rita Westbrook, Heath; Denise Sickles, Heath; Karla Kinney, Granville; Shannon Booth, Johnstown; Lori Broughton, Heath, Peggy King, Sheridan; Peg Bland, Newark; Jennifer Jones, Liberty Union.

FIRST ROW: Linda Vincent, Liberty Union; Michalene Williams, Granville; Bobbi Roberts, Heath; Cindy Lowe, Northridge; Carol Williamson, Heath; Chris Richards, Newark; Denise Curry, Newark. SECOND ROW: Bev Buxton Tittle, Heath; Peg Bragg, Heath; Kathy Morris, Newark, Peg Titko, Newark; Bobby Starr, Newark; Donna Bookman, Sheridan; Hazel Nichols, Granville; Donna Stover, Sheridan; Charlette Sullivan, Utica; Cindy Bennett, Utica; Marlene Lyons, Sheridan.

Cosmetology II

Senior Cosmetology girls continue with the skills they learned in their Junior year. Added to the list are shop management, manicuring, and personal grooming. In May, the girls take their State Board Examination, and if they pass, they go on to be licensed beauticians.

These four Senior girls ponder over a display at the Fall VICA convention.

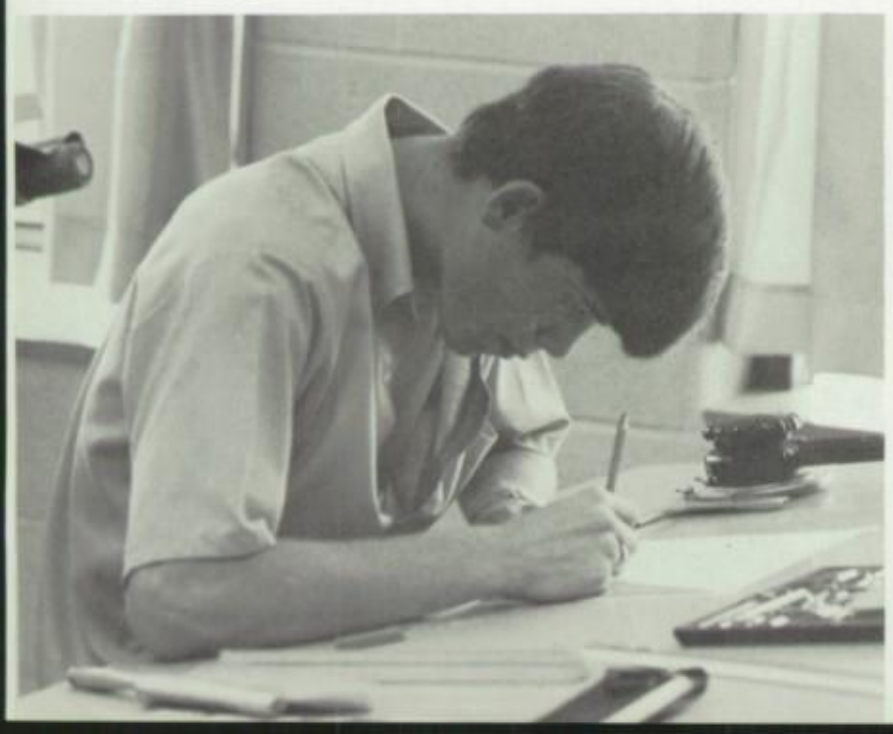
Peggy Bragg and Donna Stover work to improve their skills as beauticians.

FIRST ROW: Doug Sheley, Heath; Mike Van Sickle, Sheridan; Roger Dodson, Heath; Jerry Owens, Northridge, Curtis Olson, Granville. SECOND ROW: Rod Reed, Heath; Mike Scott, Licking Valley; Mr. Shoemaker, Teacher; Mike Hardbarger, Northridge; Gary Wingo, Johnstown.

Drafting I

Junior Drafting students are taught various forms of architecture, lettering, and engineering. The Juniors also learn how to use the various tools needed to be an expert draftsman.

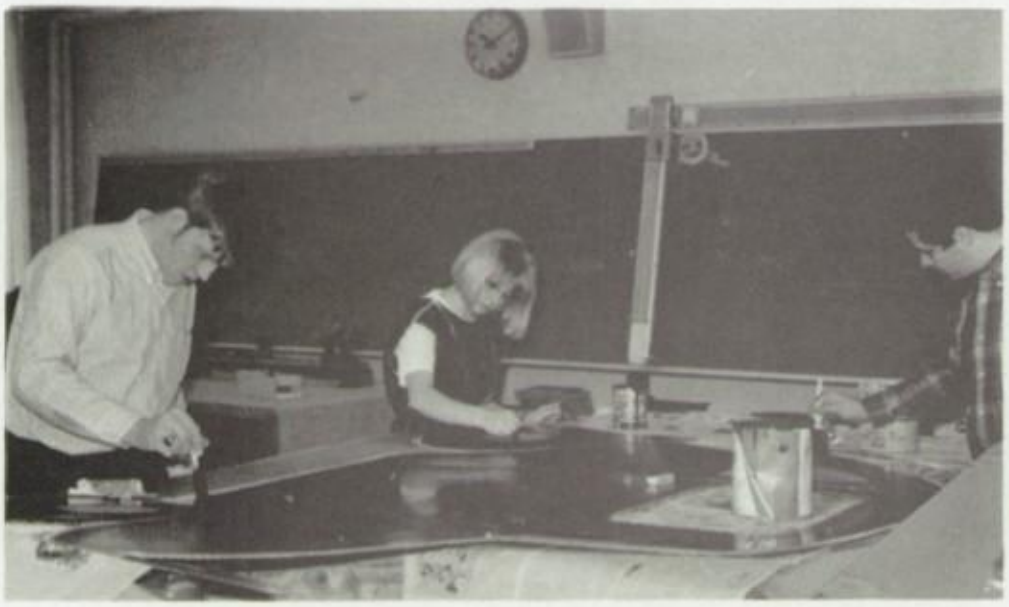
First year drafter, Gary Wingo, learns the facts.



Quit drawing pictures of your girl and get to work!

Drafting II

The Senior Drafting students worked hard this year in preparation of getting good jobs in fields such as: aircraft, civil engineering, tool design and machine design. In their related class they studied trigonometry, mechanics and industrial organization.



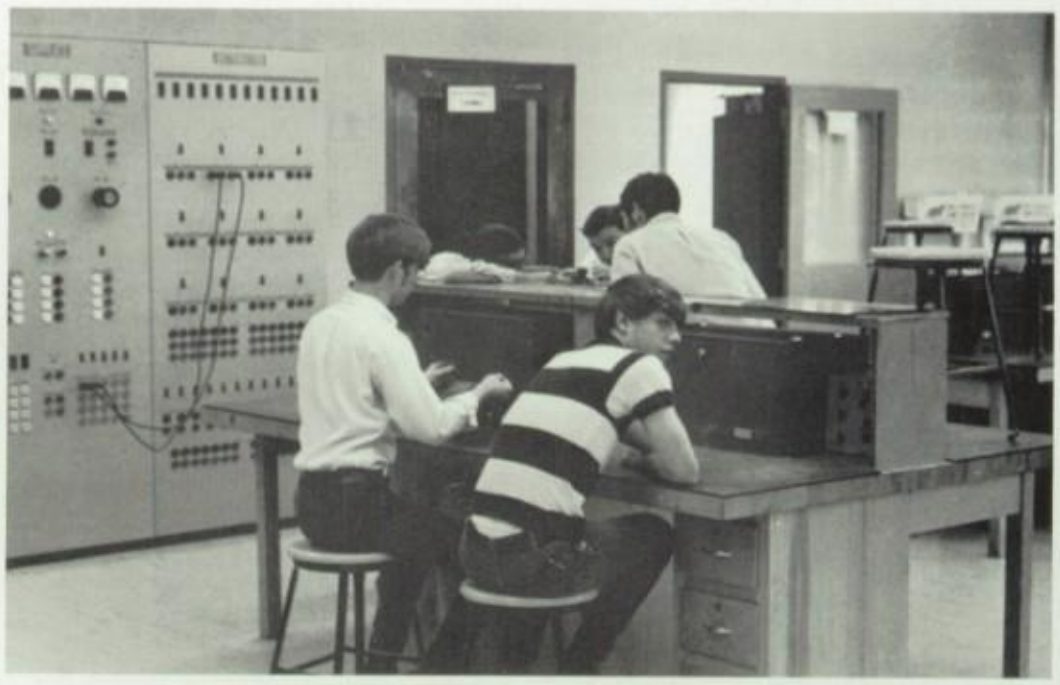
And those guys in automotives thing they can fix cars.

Paul Lehman (far corner) is having his work inspected at the Spring VICA convention.

FIRST ROW: Tim Boylan, Licking Valley; Mark Stack, Millersport; George Coleman, Heath; Dave Rarick, Heath; Gary Miller, Heath. SECOND ROW: Ken Wilson, Heath; Steve Hursey, Sheridan; Dave Hanby, Heath; Orville Adkins, Millersport; Joe Harless, Northridge; Dave Crist, Millersport; Dick Pupek, Carroll; Mr. Price, Teacher.

Electronics I

The boys in Electronics I start with the most simple electrical experiments in learning about electricity. The boys also learn about motor controls, blueprint reading, appliance repair, and residential wiring. They also learn how to use the equipment properly.



Bill Dearing and Tony Rethel look like they are in study hall.

FIRST ROW: Jerry Butler, Sheridan; Tony Rethtel, Heath; Clarence Dunbar, Johnstown. SECOND ROW: Gary Snider, Sheridan; Fred Snelling, Granville; Mark Bruns, Heath; Paul Brewer, Granville; Jim Galbrath, Northridge. THIRD ROW: Mr. O'Neil, Teacher; Ernie Hillis, Sheridan; Joe Collins, Northridge; Bob Hankinson, Liberty Union; Glenn Fitch, Granville; Bill Dearing, Heath; Tim Hendricksen, Millersport.

FIRST ROW: Mike Large, Heath; Terry McAlpine, Heath; Kenneth Lees, Granville; John Rakaska, Heath; Bob Cunningham, Heath. STANDING: Mr. Tangey, Teacher; Tom Marrietta, Heath; Frank Snelling, Granville; John Lala, Granville; John Hommon, Heath; Larry Reber, Heath; Dale Ours, Sheridan; Keith Wick, Heath; Rick Elvis, Granville.

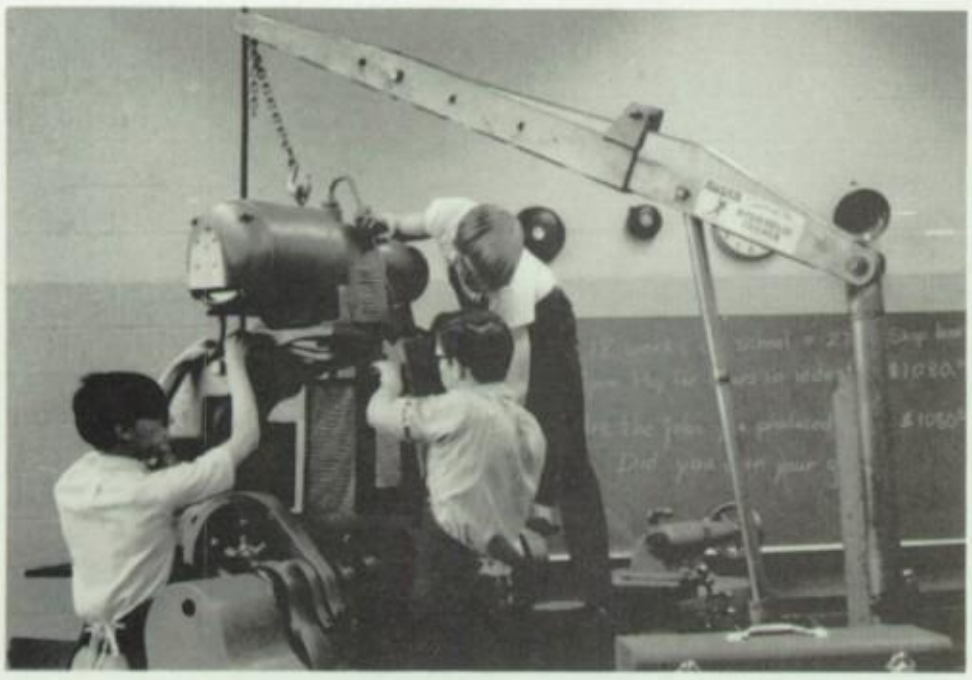
Dale Ours will represent the State of Ohio in the national VICA convention in St. Louis, Missouri.

Electronics II

The Senior Electronics students study electrical circuits, electrical components, industrial control equipment, and applications in radio and T. V. The Seniors become more proficient in the use of test equipment. After graduation, these boys will go on and be professional electricians.

Machine Shop I

FIRST ROW: Bill Hollard, Heath; Steve Crabtree, Millersport; Mike Myers, Licking Valley; Mike Curry, Sheridan; Andy Hawk, Liberty Union; Davie Rivercomb, Northridge. SECOND ROW: Rick Greene, Sheridan; Ted Meckley, Heath; Rick Laurienzo, Heath; Fred Simpson, Heath; Doug Hughes, Heath; Jim Lusk, Heath. THIRD ROW: Mr. Stevens, Teacher; Doug Bero, Newark; Melvin McComb, Sheridan; Jeff Hayes, Northridge; Joe Duncan, Northridge; Rick Wilson, Sheridan; Jim Markle, Heath; Warren Green, Newark; Dave Esclbaugh, Millersport; Dan Parkinson, Granville; Craig England, Liberty Union; Dick Rice, Newark.



Rick Laurienzo, Jim Markle, and Ted Meckley are hard at work.

Machine Shop I students learn the basics of running and setting up lathes, milling machines, grinders, drill presses, and shapers. They get actual experience on the machines, and are taught the safety and hazards of the machines, as well as the theory.

Steve Obert tells exactly how it is done.

Machine Shop II students learn the basic skills of a good machinist. After having two years experience, these boys hope to get good jobs so they can put their skill and knowledge to work.

Machine Shop II

FIRST ROW: Tim Brillhart, Mike Hayes, Steve Obert, Mike Drumm, Duane Searfos. SECOND ROW: Mr. Ebbert, John Riggleman, Gene Showman, Gregg Dowell, Larry Long, Gary Bieberbach, Steve Gutridge. Absent were Ken Seaman and Tom Broaddus.

VICA Officers

SEATED: Saundra Shepard, Secretary; Connie Swingel, Treasurer; Marlene Lyons, President; Bobbi Roberts, Reporter; Lori Braughton, Vice-President. SECOND ROW: Mr. Ebbert, Advisor; Steve Gutridge, Parliamentarian; Dick Pupek, Sergeant-at-arms; Mrs. Smith, Advisor.

A club open to all students enrolled in a technical or vocational education school, it helps to "prepare youth for leadership". At the same time, it allows for enjoyment and the opportunity to meet other students state wide.

VICA Officers visit WCLT.

Activities

Cosmetology girls worked with needy children at Christmas.

VICA members and their guests enjoy a game of pool at the VICA Sweetheart Prom.

VICA officer, Mike Gutridge, shows some fifth-graders around the machine shop.

Award Winners

Hazel Nichols, County Cosmetology Award; Bobbi Roberts, Highest Ranking Vocational Student; Rick Alvis, Gray's Electric Company's Electronics Award; Pat Shauck, Walker and Battat Auto Mechanics Award; Mike Drumm, Owens-Corning Outstanding Machinist Award; Paul Layman, Kaiser Aluminum Company Drafting Award.

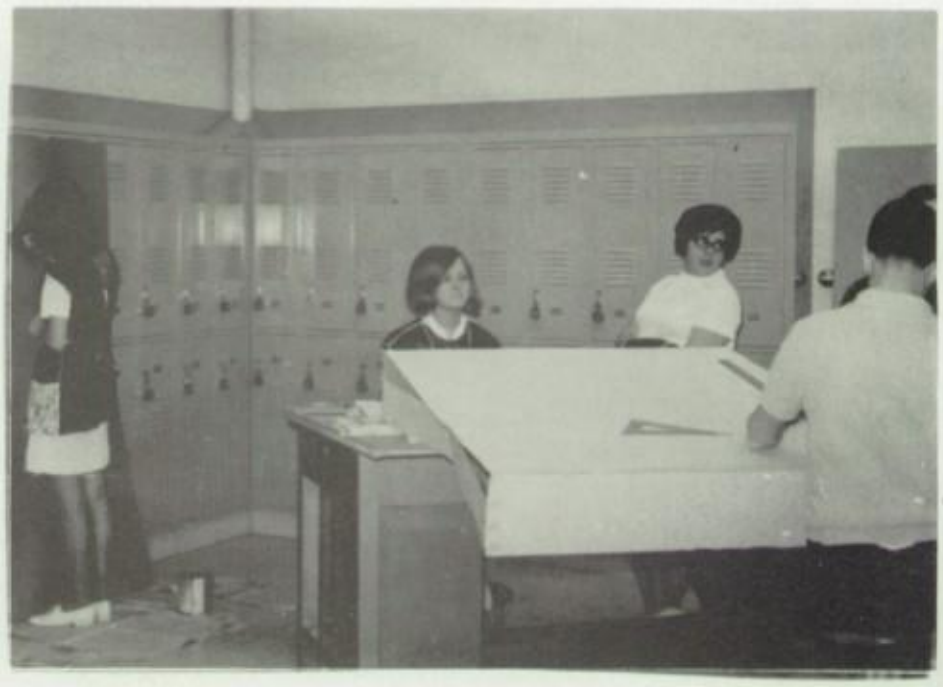
SEATED: Rick Laurienzo, Marlene Lyons, Steve Gutridge, Bobbi Roberts, Connie Swingle. SECOND ROW: Mr. Fullen, Advisor; Bill Dearing, Dick Pupek, Cindy Lowe, Carla Kinney, Paul Layman, Fred Snelling.

Parliamentary Procedure Team

The team is mainly concerned with preparing and conducting a business meeting in the proper way. They prepare themselves for state competition at the Spring VICA Convention.

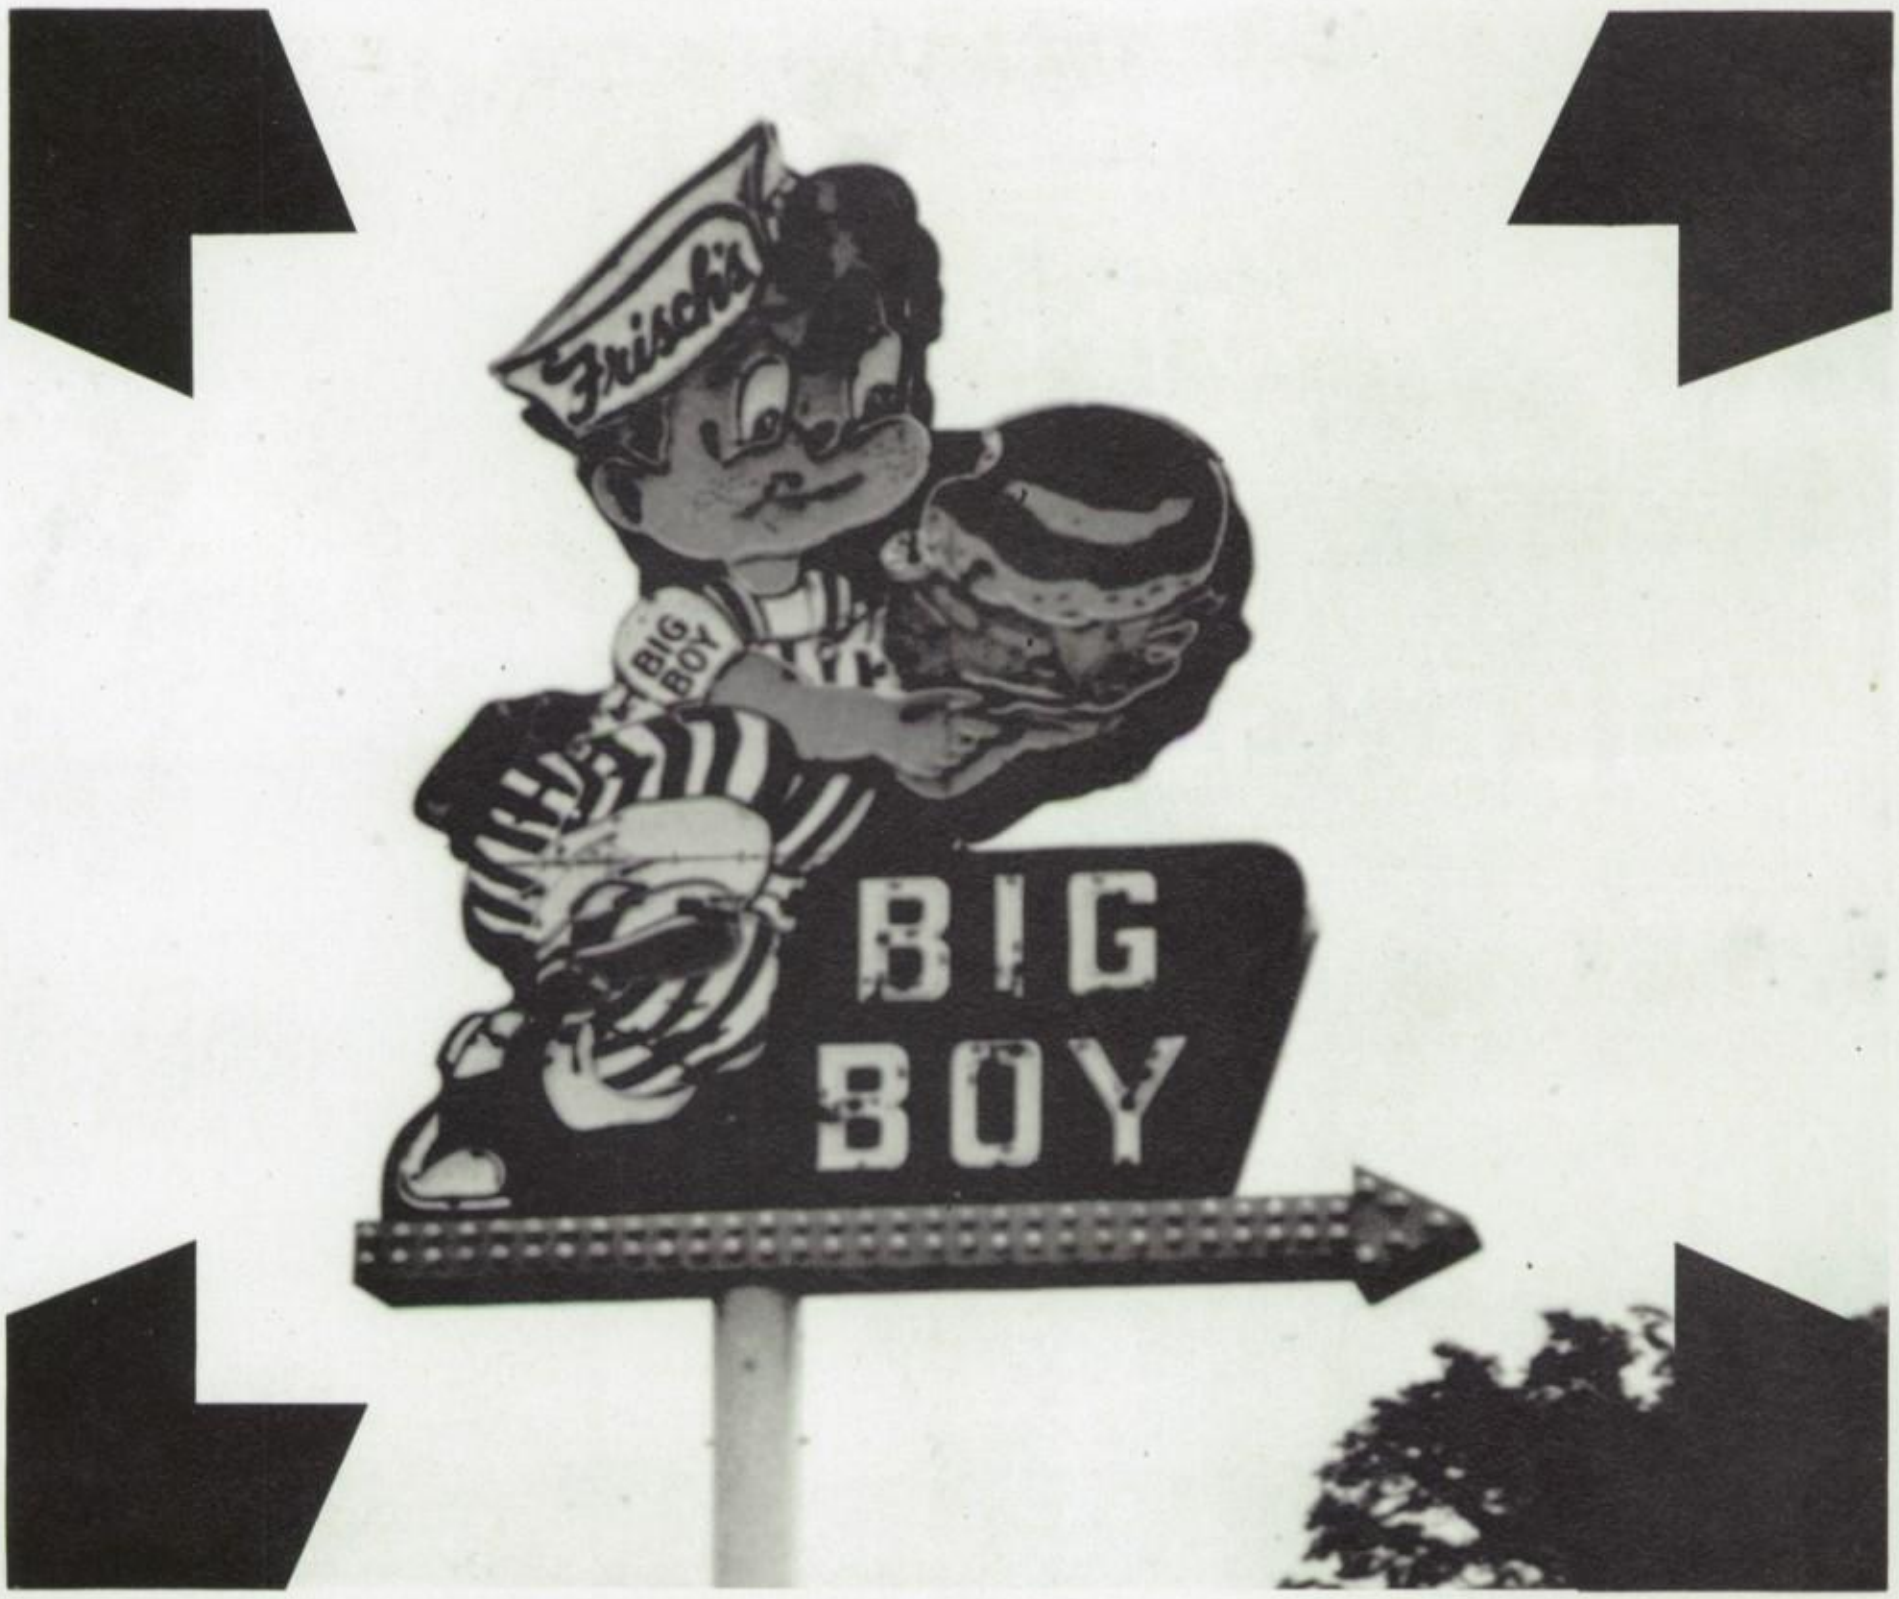
Activities

The Sweetheart Prom was a big success.



These Cosmetology girls decide to switch to Drafting.

Advertisements



The many business establishments in the Heath area have kindly placed advertisements in this years annual. Without their support, the publication of the ERICA would be impossible. We appreciate their advertising and hope you patronize them.

The 1971 ERICA Editor trains for the important position.

Work on your section, not your nails.

Editor's Thoughts

Working with the ERICA staff of 1970 has meant a great many things to me. Besides the headaches of deadlines, forgetting things, and redoing many items, the staff has meant a great deal to me. It is the staff that puts a yearbook together. The Editor merely takes all the complaints that result from the book as well as the compliments.

Each member of the staff this year has a certain quirk, or something special about them. It is these differences that make my job as editor interesting. There were some staff members who didn't do too much work on the yearbook. These people know who they are. However, there were many more who spent numerous hours working in the publications room. They worked not only on their section, but helped on others in order to meet deadlines. These people also know who they are and I thank each and every one of them.

There are several people who helped on the yearbook this year who aren't on the staff. Morale boosting in the clubs and organizations section goes to Barry Lederer. Thanks, Barry. Ben Pemberton helped on the senior section due to a certain staff member on that section.

I'd like to say to whomever took our pictures, negatives, and camera this year that I hope you appreciate all the hard work and long hours that you stole and didn't give us a chance to use in the yearbook.

One last thing: Good luck, Marc with the staff of next year's annual. It rests on your shoulders. Remember to give and take. Give advice and take Excedrin. It calms your nerves and temper.

Thank you, Mr. Dupps for all the times you came to my rescue. I appreciate it more than you imagine.

One last question: What will Marc Guthrie do next year without Kathie Anderson around to give advice and moral support?

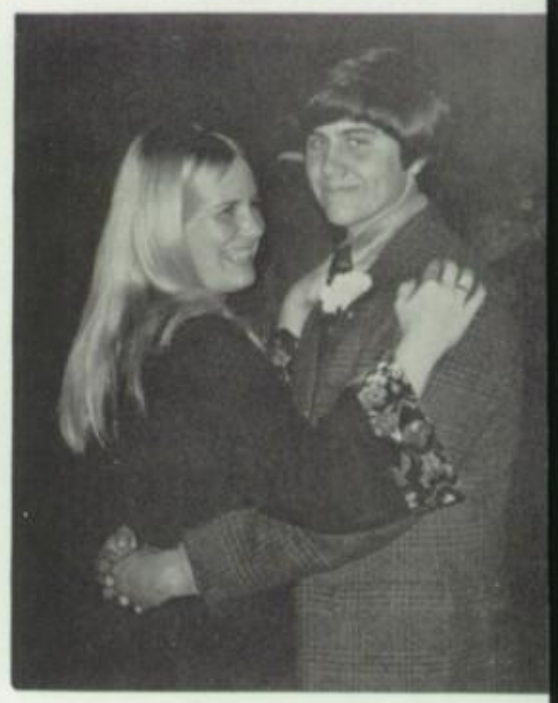
Carol Saunders

P. S. A special thank-you goes to the yearbook caterer, Rick Weiser.

Joe, we told you to get your section done.

Is he in this class?

Your mission today is...



That's funny!

We gotta get started, deadlines tomorrow.

Uncle Sam wants you!

Where's that home-row?

It's a bird...

It's a plane...

it's Superman!!

"No, on second thought it IS a bird."

Life in the Hallowed Halls
